Compliance Register

Area | Current position | Evidence / owner | Next trigger

Planning | UNRESOLVED property/use classification | Council written response needed | before public intake

Second-hand dealer | Recycling exemption exists; mixed model unresolved | NSW Fair Trading | before public intake

14-day hold | no-alteration rule if applicable; wipe question unresolved | Fair Trading | before processing licensed stock

EPA | tiny scale appears below storage EPL thresholds; processing classification needs confirmation | NSW EPA | before public waste-style intake

Electrical safety | precise second-hand test/tag/label rule unresolved | regulator written answer | before sale of mains goods

ACL | applies to business sales of second-hand goods | ACCC/NSW guidance | every sale

Privacy/data | secure restricted custody + sanitisation required as operational policy | SOP | every data device

Lithium | reject obvious damaged battery intake; carrier-specific shipping | FRNSW/B-cycle/carriers | intake/shipping

Insurance | quote/bind actual disclosed activity | insurer | before public/client work

Employment conflict | unresolved | operator/employer | before MSP outreach

Downstream | AMR/others partly verified; exact chain incomplete | provider evidence | before making public claims

Tax/GST | GST threshold/account treatment to be confirmed for legal entity | accountant/ATO | before scale/threshold
