

Repair Cafe International - Organiser FAQ

Source type: External primary-source research brief

Category: Repair Cafe / community repair

Primary source: <https://www.repaircafe.org/en/faq/>

Source summary

The organiser FAQ explains how new groups coordinate with Repair Cafe International, how the Repair Cafe name and network are used, and how existing local repair initiatives can connect with the movement. It is helpful for understanding the distinction between a formally affiliated Repair Cafe and a repair event operating under another name.

Why this matters for Dubbo eWaste

Helps Dubbo choose branding, affiliation and network participation without accidentally presenting an independent event as an official Repair Cafe.
