

ACCC - Repair Notice Requirements

Source type: External primary-source research brief

Category: Australian Consumer Law / repair

Primary source: <https://www.accc.gov.au/consumers/problem-with-a-product-or-service-you-bought/repair-notice>

Source checked: 6 October 2026

Source summary

ACCC guidance says businesses accepting products for repair must give a repair notice where the product can store user data, warning that repair may cause data loss. Where refurbished goods or parts may be used, specific prescribed wording is required.

Why this matters for Dubbo eWaste

Directly relevant if the Dubbo operation expands from donated/refurbished stock into customer repair work.

Source handling note

This PDF is an original research brief prepared for the NotebookLM pack. It summarises the linked source and does not reproduce the source publication in full. Re-check the linked primary source before relying on time-sensitive legal, regulatory, pricing or operational details.
